Dexter

Makes me a ... scientist.

Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be. Keep your mind limber. Under normal circumstances, I'd take that as a compliment.

Keep your mind limber. I like seafood. I'm **generally confused most of the time**. I'm generally confused most of the time. I'm Dexter, and I'm not sure what I am.

Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be.

I will not kill my sister. I will not kill my sister. I will not kill my sister. I am not a killer. Rorschach would say you have a hard time relating to others. Finding a needle in a haystack isn't hard when every straw is computerized.

1. I'm thinking two circus clowns dancing. You?
2. Tell him time is of the essence.
3. You're a killer. I catch killers.

I have a dark side, too.

Watching ice melt. This is fun. Rorschach would say you have a hard time relating to others. I've lived in darkness a long time. Over the years my eyes adjusted until the dark became my world and I could see.

- Keep your mind limber.
- Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be.
- I love Halloween. The one time of year when everyone wears a mask ... not just me.

I'm real proud of you for coming, bro. I know you hate funerals. Oh I beg to differ, I think we have a lot to discuss. After all, you are a client. God created pudding, and then he rested. Cops, another community I'm not part of.

I'm not the monster he wants me to be. So I'm neither man nor beast. I'm something new entirely. With my own set of rules. I'm Dexter. Boo. You look...perfect. Hello, Dexter Morgan. Rorschach would say you have a hard time relating to others.

I'm Dexter, and I'm not sure what I am. Somehow, I doubt that. You have a good heart, Dexter. I will not kill my sister. I will not kill my sister. I will not kill my sister. God created pudding, and then he rested.

I think he's got a crush on you, Dex! Tell him time is of the essence. I'm doing mental jumping jacks. Somehow, I doubt that. You have a good heart, Dexter. I'm doing mental jumping jacks.

You all right, Dexter? I'm not the monster he wants me to be. So I'm neither man nor beast. I'm something new entirely. With my own set of rules. I'm Dexter. Boo. I'm doing mental jumping jacks. Finding a needle in a haystack isn't hard when every straw is computerized.

Finding a needle in a haystack isn't hard when every straw is computerized. I'm going to tell you something that I've never told anyone before. I am not a killer. Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be.

This man is a knight in shining armor. I like seafood. I've lived in darkness a long time. Over the years my eyes adjusted until the dark became my world and I could see. Makes me a ... scientist.

I'm really more an apartment person. Makes me a ... scientist. I'm thinking two circus clowns dancing. You? I will not kill my sister. I will not kill my sister. I will not kill my sister. I love Halloween. The one time of year when everyone wears a mask ... not just me.

I am not a killer. Under normal circumstances, I'd take that as a compliment. God created pudding, and then he rested. Only you could make those words cute.

Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be. I think he's got a crush on you, Dex! I'm partial to air conditioning. Only you could make those words cute.

Cops, another community I'm not part of. I'm not the monster he wants me to be. So I'm neither man nor beast. I'm something new entirely. With my own set of rules. I'm Dexter. Boo. I'm a sociopath; there's not much he can do for me.

Doctor Who

You know when grown-ups tell you 'everything's going to be fine' and you think they're probably lying to make you feel better?

It's art! A statement on modern society, 'Oh Ain't Modern Society Awful?! You've swallowed a planet! You hate me; you want to kill me! Well, go on! Kill me! KILL ME! You know how I sometimes have really brilliant ideas?

You know how I sometimes have really brilliant ideas? You know when grown-ups tell you 'everything's going to be fine' and you think they're probably lying to make you feel better? No, I'll fix it, I'm good at fixing rot. **Call me the Rotmeister.** No, I'm the Doctor. Don't call me the Rotmeister.

Father Christmas. Santa Claus. Or as I've always known him: Jeff.

You hate me; you want to kill me! Well, go on! Kill me! KILL ME! Sorry, checking all the water in this area; there's an escaped fish. Sorry, checking all the water in this area; there's an escaped fish.

1. All I've got to do is pass as an ordinary human being. Simple. What could possibly go wrong?
2. Did I mention we have comfy chairs?
3. I am the Doctor, and you are the Daleks!

All I've got to do is pass as an ordinary human being. Simple. What could possibly go wrong?

I hate yogurt, it's just stuff with bits in. The way I see it, every life is a pile of good things and bad things...hey...the good things don't always soften the bad things; but vice-versa the bad things don't necessarily spoil the good things and make them unimportant.

- The way I see it, every life is a pile of good things and bad things...hey...the good things don't always soften the bad things; but vice-versa the bad things don't necessarily spoil the good things and make them unimportant.
- Aw, you're all Mr. Grumpy Face today.
- You hit me with a cricket bat.

No... It's a thing; it's like a plan, but with more greatness. You hit me with a cricket bat. You hit me with a cricket bat. I am the Doctor, and you are the Daleks! I'm nobody's taxi service; I'm not gonna be there to catch you every time you feel like jumping out of a spaceship.

"Insistently" Bow ties are cool! Come on Amy, I'm a normal bloke, tell me what normal blokes do! I hate yogurt. It's just stuff with bits in. No... It's a thing; it's like a plan, but with more greatness.

I'm the Doctor, I'm worse than everyone's aunt. "catches himself" And that is not how I'm introducing myself. I'm nobody's taxi service; I'm not gonna be there to catch you every time you feel like jumping out of a spaceship.

Annihilate? No. No violence. I won't stand for it. Not now, not ever, do you understand me?! I'm the Doctor, the Oncoming Storm - and you basically meant beat them in a football match, didn't you? Heh-haa! Super squeaky bum time!

Sorry, checking all the water in this area; there's an escaped fish. The way I see it, every life is a pile of good things and bad things...hey...the good things don't always soften the bad things; but vice-versa the bad things don't necessarily spoil the good things and make them unimportant.

It's a fez. I wear a fez now. Fezes are cool. You hit me with a cricket bat. It's art! A statement on modern society, 'Oh Ain't Modern Society Awful?! I'm the Doctor, I'm worse than everyone's aunt. "catches himself" And that is not how I'm introducing myself.

I am the last of my species, and I know how that weighs on the heart so don't lie to me! They're not aliens, they're Earth...Jiens! I'm the Doctor, I'm worse than everyone's aunt. "catches himself" And that is not how I'm introducing myself.
